Ron Torgerson (SITLA)

**Planning/update
meeting**

Information Presented

USU/EXT received no comments on Chapter 1, the group felt like it was good enough for now.

USU/EXT presented Chapter 2 for discussion and made Assignments—see below

Larry & Joan: Summarize (paragraph 1 or 2 on the fire section to compare with BLM and FS fire plans)

Ron & SITLA: Fire plans in the area, what are they and anything in the past.

SITLA: endowment fund from the ESMF received the grant. \$43,000 for maintenance and care of existing mitigation bank for UTPD.

Discussion Highlights

Mike: talked about Aspen Project

Dave: discuss chick stuff – project discussion on sage brush treatments

Jackie: just starting to trap PYRA surveys look good – good numbers

Actions Taken

NEXT MEETING: August 11th, 2005 at 10:00AM in the Wayne County Extension Office

at the Courthouse (18 S. Main in Loa).

Follow-up Needed and Assignments

Ron: assigned to ask SITLA about revenue needed with aspen cutting.
Look into agreement with SITLA

Todd to send out Chapter 2 with meeting minutes.

Group to comment on that Chapter 2. **ASSIGNMENTS ARE DUE: July 25th**

Todd to contact new potential cooperators and extend invitations to participate.

Dwayne and Ron to communicate about exact prairie dog “pathways” for archeologist clearance.
Dwayne has a digital map that he will email to Ron.

Todd to bring GIS to next meeting and revisit PARM boundary and subunits.

Todd to send PARM MOU to Lori Armstrong

Todd to bring Binders to next meeting

Utah Farm Bureau Federation Change in MOU/SOP

All to sign MOU

Gary and Verl to draft a letter for foxes a big concern and send to Mike Bodenchuck and Kevin Dustin

Todd and Dave to get with Tom Jarmin and share sage-grouse nest data and discuss treatments

ASSIGNMENTS ARE DUE TO TODD BY: JULY 25th
